We require (a) All Risk Physical Damage insurance including coverage for collision and upset, and comprehensive losses to the equipment rented and (b) Comprehensive General Liability and Business Auto Liability insurance both in an amount of not less than \$1,000,000.00 combined single limit for personal injury, bodily injury, and property damage.

The Comprehensive General Liability form shall include the coverage parts for non-owned and hired automobiles. The Certificate of Insurance must be signed by an authorized representative of your insurance carrier. You must have the insurance companies providing the coverage's required add the interest of Saunders Electric, Inc. as additional insured and loss payee as its interest may appear in reference to any and all equipment provided by Saunders Electric, Inc. under the terms and conditions of their Equipment Lease Agreement. Any insurance certificates provided to Saunders Electric, Inc. shall stipulate that they shall receive 30 days written notice of cancellation from the insurance companies providing the required coverage prior to any cancellation or reduction in the limits of liability and each such certificate issued to Saunders Electric, Inc. shall stipulate that the coverages indicated on the insurance certificate shall be primary coverage and not contributing with any other insurance maintained by Saunders Electric, Inc.
